## Faculty

Riyad S. Aboutaha, Elizabeth Carter, Ruth Chen, Andria Costello Staniec, Charles T. Driscoll Jr., Chris E. Johnson, Min Liu, Yizhi Liu, Eric M. Lui, Sinead Mac Namara, Aaron Mohammed, Dawit Negussey, Zhao Qin, Fabrizio Sabba, Baris Salman, Yilei Shi, Svetoslava Todorova, John Trimmer, Kun-Hao Yu, Teng Zeng

## Program Description

The combined degree is for students to complete the Bachelor of Science in Civil Engineering and the Masters of Science in Civil Engineering degrees consecutively, with a goal of completing both degree requirements in five years. 6 credits of 500-level or higher courses may be counted towards both Bachelor's and Master's degrees. A block of transfer credits labeled as "transferred from SU undergraduate record" appears on the graduate record and applies credit hours toward the graduate degree, but is not calculated in the graduate GPA.

## Admission

Students must be currently enrolled in the BS Civil Engineering program at Syracuse University, and should apply to the combined BS and MS program in the first semester of their third year of study. Admission is based upon academic performance. Students are accepted for graduate study after completion of the third year of study but are not fully matriculated as graduate students until all bachelor's degree requirements have been met.

## BSCE Curriculum

Students must satisfy all the requirements of the Civil Engineering, BS (<https://coursecatalog.syracuse.edu/undergraduate/engineering-computer-science/civil-engineering-bs/>).

## MSCE Curriculum

Students must also satisfy all the requirements of the Civil Engineering, MS (<https://coursecatalog.syracuse.edu/graduate/engineering-computer-science/civil-engineering-ms/>).
