Description

The 18-credit minor in music industry is designed for students from any Syracuse University degree program, including music majors, who wish to learn about the creative, business, and legal aspects of the music industry.

Admission

Apply to the coordinator of the music industry program.

Complete an interview.

Possess a 3.3 GPA or better.

Application is required by the spring semester of sophomore year at the latest. The application process opens September 15 and closes March 15 during each academic year.

Minor Requirements

At least 12 credits in the minor should be at the 300-level or higher.
